

The 3 Shift Planning Map

from NCLB

to ESSA

Understanding Performance

Who is underperforming? Which grade levels, subgroups, or classrooms?

Understanding People

What will help us understand more about WHY they are performing this way?

Program Based Instruction

Which programs are getting results now?

Which ones don't seem to be working?

Personalized Instruction

What do we need to help us personalize instruction by removing the barriers to core?

Memory of Skills

How much time are we spending asking students to recall basic facts and information?

Mastery of Standards

How much time are we spending asking students to express concept understanding?
